

# Big Blueprint Hanger

*Big Blueprint Hanger*

## 1 Tier X-Span Rack

\$164.00

This unit holds a tremendous amount of files in a very little space. It is designed to be a stand alone rack, with or without wheels. The standard 3 tier unit is the most popular but this rack can be ordered in just about any configuration and all we need is your space requirements

type=image,width=101.568,height=135.424 (W/D/H). The rows are adjustable to fit the type and size of your file jacket - The system grows to meet your needs. Add another level to any rack for \$ 80.00 including posts 96", 108", or 120" and all applicable beams and rods. Specify post height when ordering. Custom sizes available, call for quote. \* Rack prices do not include jackets. See our [Heavy Duty Tag Jackets](#) and [See-Thru-Vinyl Jackets](#) pages for sizes & pricing. Other rack sizes are available. Call for details. Rack capacity averages 4 jackets per inch including space for finger room.
