This unit holds a tremendous amount of files in a very little space. It is designed to be a stand alone rack, with or without wheels. The standard 3 tier unit is the most popular but this rack can be ordered in just about any configuration and all we need is your space requirements (W/D/H). The rows are adjustable to fit the type and size of your file jacket and the system grows to meet your needs. Rack prices do not include print hangers. See our Poly Hangers and Metal Hangers page for sized and pricing. Add another level to any rack for \$ 80.00. Including posts 96", 108", or 120" and all applicable beams and rods. Specify post height when ordering. Custom sizes available, call for quote. \* Rack prices do not include jackets. See our [Heavy Duty Tag Jackets](#) and [See-Thru-Vinyl Jackets](#) pages for sizes & pricing. Other rack sizes are available. Call for details. Rack capacity averages 4 jackets per inch including space for finger room.
