Our durable wide format aluminum clamp type blueprint hangers are designed for quick, hassle-free plan changes, and are great for active or archived plans. Specifically made for contractors. WF Aluminum Blueprint Hangers are easier to use and better priced than other brands on the market. Our hanger has superior gripping power because the clamp pressure is directly applied to your plans. Combined with the Big Blueprint Poly-Hanger, these aluminum hangers will maximize the capacity of your blueprint file system, whether archived or work-in-progress.
